Dear ASDAN Parents for 2020

Below is the stationery required for your child in ASDAN for 2020. Please will you ensure that these items are clearly marked with their names when school re-opens.

The exercise books will be supplied by the school and will be available for collection the day before school starts or on the first day of school. **The course material/ textbooks will also be provided for by the school**, thus you will not have to purchase these.

Please note that a list with the ASDAN courses that your child will be doing next year, will be attached with their report at the end of this year. This will provide you with a guide on which colour files you will need to buy.

We look forward to working with you next year.

Yours sincerely
ASDAN Teachers
