18 January 2019

Dear FET Parents and Pupils

Term 1 Forecast

The staff at Cedarwood would like to welcome you back to school after a long and restful holiday. As the new school year begins, we hope you are ready to get down to work.

This is going to be a busy academic, sporting and social year for the pupils with many new initiatives in place. As we believe in creating a balance for the pupils in all aspects of their lives, please find listed below important dates for the 1st term:

- 21 January - Extra murals and extra lessons begin
- 1 February - Careers Day at St Peters for Grades 11 and 12
- 8 February - Valentine's Day Ball
- 1 March - College Camp Out
- 12 March - House and Staff plays
- 15 March - Cultural Day
- 16 March - Year 12 Dance (All are welcome to watch the arrival of the Year 12 pupils at the venue)

Further detailed information pertaining to each event will be sent out closer to the time.

Open communication is one of the Core Values of Cedarwood College and we would like to encourage such as much as possible. Should you have a query regarding your child, please feel free to approach the teaching staff or Management team of the College.

Extra Lessons and Extra Murals:

Extra lessons and extra murals begin on the 21st January.

The extra lesson schedules for the FET phase are attached. These will be included in the Weekly Communication which is sent out every Friday. Please note that the Grade 12s have a separate extra lesson schedule which is also attached to this letter.

Grade 10s

The Grade 10s begin a new phase of their school careers. The transition into the Further Education and Training Phase (FET) can be challenging, as new subjects have been chosen and the pressure is on in terms of subject-based assessments. Assessment dates for the term will follow next week. A new development in Grade 10 is the introduction of isiZulu support by the SBS team. This will take place during the course of the school day. Pupils also have their first year of 'Work Experience' to look forward to later in the year.

In true Cedarwood style, the teachers will help and guide you where needed. Please remember to start working hard and continue in that manner. Mr Raubenheimer, Mr Goodwin and Mrs. Cullen are your register teachers, and they can be contacted on jraubenheimer@cedarwoodschoo.co.za, rgoodwin@cedarwoodschoo.co.za and vcullen@cedarwoodschoo.so.za respectively.

Grade 11s

The Grade 11s need to become increasingly involved in their academics and are expected to tackle tasks as independently and efficiently as possible. This is a big year, as the syllabi are lengthy and complex, so getting down to work from day one is of utmost importance. If you are planning on any tertiary studying, your Grade 11 results are used as provisional application marks.

The teachers are here to assist you when you need them, and Mr Sekowe (bsekowe@cedarwoodschoo.co.za) is your register teacher.

Grade 12s

Looking back at the Class of 2018:

We are proud to announce that we achieved some excellent results, including university entrances. A lot of hard work, grit and determination was exhibited in order to achieve these results, and we encourage the current Matrics to continue in this manner.

Class of 2019:

We would like to congratulate all those who were elected as school prefects and we are sure that you will do yourselves, your classmates and your fellow pupils proud in your new roles.

On the academic front, you will be writing Preliminary Examinations as well as Final Examinations this year, culminating in a National Senior Certificate. The timetables for these will be distributed as soon as they are made available to us.

In order to assist you in preparation for this, we will be holding compulsory extra lessons, during the week and on certain Saturday mornings, the timetable for which is attached. In addition, there is Winter School which will be held in the June/July holidays.

At the end of each term, round tables will be held with your teachers and your parents where your strengths and areas of development will be discussed. The dates for the round tables will be sent out closer to the time. The round tables take the place of report comments in Grade 12 and so it is imperative that these are attended.

We have introduced support from the SBS team this year in isiZulu which we are sure will help the pupils attain the results they are capable of getting. Ms Gambushe will support Mrs Majola with the Zulu syllabus.

On a lighter note, you have the Matric Dance to look forward to. This will take place on 16 March. This is an event we are all looking forward to!

Mr Van Roon (evanroon@cedarwoodschool.co.za) and myself (alovell@cedarwoodschool.co.za) are the register teachers for Grade 12.

We wish you all a successful and productive 2019.

Yours sincerely

Mrs A. Lovell
