Homework Supervision Intermediate Phase

Dear Parents

Homework Supervision for the Intermediate Phase children is offered on Monday, Wednesday and Thursday afternoons from two o'clock until three o'clock. As there is often quite a large group of children, homework is only supervised, as unfortunately there is not sufficient time to reteach a concept or listen to each child's reading. We therefore strongly encourage parents to support their child by listening to his/her reading daily.

Children should be collected from the assigned classroom at three o'clock. In the interest of your child's safety, any child not collected from Homework Supervision by three o'clock, will be taken to Aftercare. **Please understand that a completed Homework Supervision tear – off slip signed by the parent is required before a child may attend Homework Supervision.** The reply slip should be returned to your child's teacher by Wednesday 17 January.

Please indicate on the parent reply slip on which days your child will be attending. Should there be any changes please notify your child's class teacher in writing.
