12 April 2019

Dear Senior Phase Parents and Pupils

Welcome back to school. I hope you all had a good break and are ready for a busy second term.

It is crucial that pupils begin working from the “get-go” this term and begin their exam revision as soon as possible. Examination timetables and outlines will be made available on the 15th April. The mid-year examinations are around the corner and will begin on Monday the 27th May and continue until Wednesday, the 19th June. Pupils are expected to be at school on Thursday the 20th of June and Friday the 21nd of June to receive their exam results and spend time doing exam corrections in class.

Please remember to check the weekly communication to see when revision classes are taking place. These are a great opportunity to ensure your child is well prepared for the upcoming examinations.

Last term, with a very heavy heart, we said goodbye to Mr. Mikhail Jansen and Miss Danielle Desterbecq. Mr. Jansen has accepted a post at the Department of Education for the New Zealand Government and Miss Desterbecq is taking a sabbatical from teaching. Miss Claire Maher has taken over the post of Learning Support Coordinator and we welcome Miss Vuyi Halana as our new school counselor and educational psychologist. Miss Desterbecq's role has been filled by Miss Lauren van Graan and to accommodate this change, there has been a restructuring amongst some staff. Please see your child's grade below to take note of the subject teacher changes.

ASDAN (Award Scheme Development and Accreditation Network)

Our ASDAN curriculum is in full swing and had has a very successful start at Cedarwood. We look forward to further exploring this alternative international curriculum with the pupils involved. This term we will be continuing the New Horizons and Bronze International Awards Programs. Mrs. Mariska Ueckerman and Miss Nomazizi Chembe will continue to facilitate these courses and ensure that the most is made of this exciting pathway for our future Vocational pupils.

Please feel free to contact the ASDAN facilitators or myself if you have any questions or would like to know more about this curriculum.
