8 April 2019

Dear Vocational parents and students

Term 2 Forecast

The staff at Cedarwood would like to welcome you back to school for a busy term.

Firstly, some important dates for the 2nd term:

11 April: Reports handed out. Parents' evening (16:30 to 19:00)

15 April: Extra lessons and extra-mural activities start

15 May: Pupil photos

4 to 7 June: Job shadowing

27 May to 21 June: Time table adapted

We would like to encourage all Vocational students to participate in at least one extra-mural activity.

An outing to Pretoria is planned for the week of 23 or 29 April. Detailed information will follow soon.

Parents are requested to start looking for suitable places for students' job shadowing in June. Any offers from Cedarwood parents who own their own businesses to take in students, will be greatly appreciated.

During the mid-year examinations of the Academic Phase (starting 27 May), the Vocational timetable will change slightly. This is because some College teachers who present electives and school enrichment subjects to the Vocational pupils will not be available due to exam duties. The Vocational school day will be one hour shorter during this period.

EUC will continue with the working procedure developed during the first term, that is to print and file work in class and to submit the final electronic version for external assessment.

Skills & New Venture

This term the New Ventures group will continue working on the English Communication and business-related Unit Standards of their Part Qualification, along with the rest of their programme.

Staff Change

Due to reorganisation at the College, the Elective Computer Skills teacher, Mr J. Raubenheimer is required full time in the Academic Phase. He will be replaced by Ms N. Nyabeni. Ms Nyabeni is an experienced CAT teacher, she has done co-teaching in New Ventures last term and has taught EUC before.

New Student

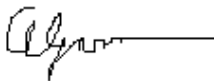

We welcomed one new international student, Lucas Kansu, in EUC in January last term.

Stationery

Please note that students will need cardboard **file dividers** for their files, if they don't already have them.

Open communication is one of the core values of Cedarwood College. Should you have a query regarding your child, please approach the relevant teaching staff member or Mrs Grové.

Yours sincerely
