Dear Vocational Parents and Students

VOCATIONAL PATHWAY: TERM 4 FORECAST

Welcome back to Cedarwood for a short and busy term.

End User Computing files are due now for moderation. Early Childhood Development files are due next Friday **19 October**. New Ventures is ready for their first moderation, for which the date is being negotiated. Please assist by providing file dividers and new files where needed. Directly after moderation, our service providers will request a verification date.

From 5 November, when the Academic Phases' exams start, students in the Vocational Phase will follow a revised temporary Vocational timetable until the end of the year.

We are looking into external First Aid training towards end of October. For November we plan to invite external speakers. Details will be confirmed soon.

Work Experience/Job Shadowing Dates:

ECD: 13-22 November

EUC and New Ventures: 21-22 November

Six Year 12 students are due to leave school at the end of this year. We congratulate those who have already been accepted at tertiary institutions and wish all of you the best for your future. Cedarwood will provide a school report and accompanying documents to assist you when applying for further studies or a job. Please note that official Statements of Results and certificates will not be available yet when you leave school. Only after the successful completion of the final verification by the SETA, a certificate can be issued. Neither the school nor the service provider can control what happens at the SETA. Therefore, certificates should not be expected before June/July 2019. Please keep your e-mail and telephone contact details updated until then.

Thank you very much for your support.

Yours sincerely
