12 October 2018

Dear FET Phase Parents and Pupils

Welcome back to school. I hope you all had a good break and are ready for a short, but busy, fourth term.

Important Dates:

- The Grade 12 final examinations begin on the 12 October.
- Examinations for the Grade 10 and Grade 11 pupils begin on the 5 November.
- The exam timetable and study guidelines will be sent out on Monday 15 October via email.
- Final reports for Grades 10 and 11 to be collected on 6 December between 09-30 and 11-00.
- Prize giving is on 3 December in the school hall.

Grade 10

On Monday 5 November, the Grade 10s will begin writing their final examinations. They are reminded of the importance of preparing in advance for these examinations as they contribute 75% towards their year mark. Keeping calm and focused is extremely important, so it is essential that they lead a balanced life over this busy time.

Grade 11

The Grade 11s begin their final examinations on Monday 5 November. This is the last set of internally marked, final examinations they will write in their school careers! The Grade 11s must ensure that they prepare well for these examinations as this report is used to apply to institutions for further study in 2020. A good set of exam results at the end of Grade 11 will ensure a smooth transition into their Grade 12 year.
