Dear CWS Parents

RE : UPDATE ON SECURITY

Firstly, we would like to thank all of you for your support as well as your suggestions on how we can improve security at our school. All suggestions have been taken into consideration and we are still in the process of changing some of our security protocols.

We have had numerous meetings with our present security company ADT as well as meetings with other security companies to determine whether we should look at changing our company. ADT has improved their visibility with response vehicles being present more often during peak times, however they have advised us that it would not be possible for vehicles to be stationed here when they need to respond to an emergency elsewhere. We have also added more panic buttons.

It will now be mandatory for all parents to have the new 2021 Cedarwood windscreen sticker on their vehicles in order to enter the premises. Each family will be allocated 2 stickers free of charge and will be charged R10 per sticker thereafter. If you have not done so already, please collect your stickers from the stations in the parking lot during pick up time.

As from Tuesday, 16th March 2021, no vehicle will be allowed to enter the premises without a new sticker. You will be asked to report to reception if you do not have the sticker.

We thank you for your co-operation.

Kind Regards

P Kotze
