Dear Cedarwood parents

It has been an incredible first term and we would like to thank you for your support in successfully carrying out everything we had planned to do this term.

Please note the following with regards to Term 3:

Morning Drop off and staff on duty:

All Covid protocols in terms of screening will still take place every morning. Staff will no longer be on duty at the carpark. Children must be dropped off at the carpark and thereafter walk to classes to leave their bags outside. Staff will be on duty near the classrooms and grounds. As per protocols, parents will not be allowed to walk their children to their classrooms.

Extra Murals – Term 2

Our extra mural list for term 2 was given out last week and it is also attached to this email. Kindly take note of the codes next term. The Jungle gyms will also be open next term.

Aftercare

As previously communicated, if you intend using the Aftercare service you will have to fill in the registration forms. Children need to be fetched within 15 minutes of school closing. If you are unable to pick up your children within this time, we ask that you kindly make use of our service. Teachers are on duty and attend meetings after school, therefore they are not available to supervise children who have not been fetched on time. We employ staff as per the number of children booked for aftercare. It is completely unfair to parents who have registered children and also dangerous to suddenly have many children unplanned for in the aftercare class with only one person supervising. We ask that you please adhere to the aftercare rules.

Staff

We sadly bid farewell to our Afrikaans teacher, Mrs Mari Burger at the end of Term 2. Mrs Burger and her family will be emigrating. Cedarwood would like to thank her for her service to our school and wish her and her family all the best with their exciting new endeavor.

I would like to wish all pupils and their families well over this holiday. I look forward to seeing our children back at school on 5 May 2021.
