

Being part of Cedarwood School has been a journey filled with work experience as well as life experience.

Cedarwood has taught me that everyone is different and that's what makes them special. Being part of the Sport Team made me realise the love and passion I have for sport. I've learnt that it's not about winning or losing, but you must do your best and have as much fun as possible.

As a Class Assistant my duty was mainly based on class admin and helping the pupils reach their potential in class. I have enjoyed spending time with the pupils.

Seeing their cute, smiley faces has often been therapeutic for me. Spending time with them can never be traded for anything. It has been my greatest joy!
